What to expect?

The Thommen Medical EAED workshop is not about a single clinical concept, a single expert or a new product. Instead, it is all about you and the questions you deal with in your daily work. Ask these questions to our expert panel and discuss their answers together in this interactive format. You are invited to enjoy breakfast snacks before the event.

Submit your questions to thommen_at_EAED@thommenmedical.com or directly during the 35th Spring Meeting 2024 at the Thommen Medical booth. The questions that will be discussed during the workshop will be randomly selected.
